

Philadelphia Parks & Recreation provides tree maintenance services for trees located within the park system and trees planted along the streets of the City (street trees). Street trees are defined as trees planted between a street curb and sidewalk. Trees located on private property, rear yards, or in alleys **do not** fall under the jurisdiction of the Philadelphia Parks & Recreation.

Requests for planting can be done online at <http://bit.ly/1h7Wavt> (case sensitive).
