

Where to plant your tree?

Plant your tree in a place that will make you and your tree happy!

SUN OR SHADE?

How much sun does your yard get? Check your tree info sheet to see if your tree prefers sun or partial shade!

SIZE & SHAPE

Imagine your tree in 20 years. How big will it be? What will it look like? See your tree info sheet to get an idea!

LOOK FOR WIRES & PAVEMENT

If you have a medium or large tree (taller than 30 ft), plant 25 ft away from overhead electrical wires.

**Trees should ideally be planted at least 3 ft from pavement*

HOW CLOSE TO YOUR HOUSE?

Imagine your tree in 20 years. How close will it be to your house? See your tree info sheet to get an idea!

**Trees should ideally be planted at least 15 ft from buildings*

SAVE MONEY

Save money on your heating and cooling bills!

Plant where it will provide shade in the summer. Plant trees on the north side of your house to reduce cold winter winds.
